CHANGE OF VENUE REFUSED TO GROUT

Union Bank President to Face Trial in Kings on Perjury Charge.

COURT FINDS PRESS REVERSE OF HOSTILE

Flushed with Victory, Cropsey Renews Strong Attack on "Hand-Picked Judges."

Edward M. Grout, former president field, of the defunct Union Bank, in Brookyn, and now under indictment for perjury, lost his application for a change of venue yesterday before Justice Jay cox, in the Supreme Court. He will

Appeal.

Justice Jaycox was urged to believe that the defendant could not obtain a fair trial in Brooklyn because of the sentiment in the borough regarding the wrecking of the Union Bank. The atwrecking of the Union Bank.

derbilt Cup To-day.

San Francisco, March 5.—Earl Cooper, one of the entrants in the Vanderbilt Cup race to be run to-morrow on the course within the Panama-Pacific Exposition grounds, will not compete. The noted driver is seriously ill with pneumonia, contracted during the Grand Prize which was run last Saturday.

Harry Grant will drive Cooper's car. No. 8. Grant has won the Vanderbilt Cup race twice. The first time at Long Island he had the same number he will have to-morrow. When he won the cup the second time the number that he drew was 18.

Revised.

Short, stocky men digest smoke with better relish and less harmful results than their taller and skinnier brethren. This was the expert opinion given yesterday before the Civil Service Commission in an effort to have the rules amended so that applicants standing under five feet, seven inches singlify the admitted to the Fire Department if they could fulfil the other requirements.

This doesn't mean that the lanky applicant is barred. If he is strong he is greatly to be desired in the truck companies, where strength is required. Free Chief Kenlon was one authority for the assertion that stocky men are the best smoke eaters. Another was the chief medical officer, Dr. Joseph Smith.

The been a medical officer, Dr. Joseph Smith.

here late to-day to confer with the lengue's attorney, E. Gates.

Mr. Gates said a supplemental complaint probably would be filed with Judge Landis after his decision in the injunction case, bringing to the attention of the court the alleged action of organized baseball in enticing certain players to break their valid contracts with Federal Lengue clubs.

Since the filing of the suit in the federal court in Chicago, Mr. Gates, in a statement to-day, said four players, Austin, Perritt, Wingo and Caldwell, had been induced to break their contracts with the Federals. In persuading the security of the convention adjourns the new executive committee will meet and elect a referee for the said, organized baseball was acting directly in line with the charges made in the original complaint in this cause.

But will offer her stadium next year. The proposals to increase the number of increase the number of increase the number of increase the number of the field events and to adopt standard implements for the said mplements for the standard implements for the said mplements f

as Billions of Gallons Plunge to Waste

Six inches of water, amounting, it is estimated, to 2,000,000,000 gallons in twenty-four hours, plunged to waste down the wide spillway of the Cornell dam of the New York City waterworks at Croton yesterday and was lost in the Hudson River.

Yesterday's loss, great as it seems, was small, the reservoir attendants say, compared with the waste that has been going on at the dam for a week. Since Sunday the overflow, which was iten twelve inches, has reduced one half.

The water going over the crest of the

And once it goes down there it is lost to the city, like the water that goes over the mill wheel and grinds no more. Since city water is estimated to Nisgara Falls in the world. So to the city like the water lost yesterday alone, if it could be canserved, would bring \$150,000 to the city.

It is impossible, atte
